JPD received a report from an employee of a business, that an adult male was observed following young children around the store, and secretly videotaping them. The store employee followed the male until he could be contacted by JPD, and identified as a 56 year old Juneau resident. The male denied the allegations as described by the store employee, but he was found in possession of a video recording device, which was consistent with what the store employee described seeing.

The male was trespassed from the business. The male turned over the recording device to JPD, and a search warrant is pending to search it. Investigation continued.
